

ONE TILE FOR MULTIPLE PATTERNS

CONCEPT

Handmade by us. Exclusively for you.

Explore our highly curated line of tile conceived, crafted and refined all under our roof. With a fresh, holistic approach to every facet of manufacturing, and sensitively balancing style and innovation for luxury commercial projects as well as the modern home, they form a fresh new motif that's endlessly fun to play with. From time to time, certain patterns imprint themselves on the canvas of life in ways you notice again and again. Trending, without being trendy,

Expose Concrete has narrowed the gaps between idea and finished product, designer and manufacturer, cutting-edge technology and traditional craftsmanship. In this spirit, meet Expose Concrete Designer Collections, a bold stroke in a series of limited-time designs.
